ACTION TAKEN REPORT

Based on the collection of feedback from various stack holders following steps were taken by the college:

1. Students want to learn more about Artificial Intelligence and Machine learning
Action: - we have conducted Java Machine Learning and AI Courses for their betterment. So they can develop themselves.
2. Arrange additional programs in Advance java lab to develop high scale software's.
3. In order to fill the gap between college and industrial accepts, soft skill courses were introduced for the students in curriculum.
4. The students were encouraged to attend on-line programs such as Spoken Tutorial Project
5. Students want to learn to more about computer graphics & Multimedia Techniques.
Action: - Based on Student Curiosity we have set up a Computer Graphics lab in our Department. In this Lab they are performing different programs based on graphics like games, software etc.
