Certificate for

Institutional Social Responsibility

This certificate acknowledge that Arya College of Engineering and Research Centre, SP 40, RIICO Industrial Area, Kukas, Jaipur has been conducting many community events like Women Empowerment, Voting Awareness Camps, Tree Plantation Drives, Cleanliness Drives in the nearby surrounding villages such as Natata, Khora Meena, Jamwa Ramgadh for literacy, vocational and environmental promotion amongst villagers.

I personally visited the college premises & had a close look on the preparation, operation & execution of all these community events. Further I would like to mention that besides myself, prominent members of the Rajasthan Chamber of Commerce & Industry have also visited the campus and were fully satisfied and appreciated the efforts by the management of Arya Group of Colleges including their Chairman, Vice Chairman, Teaching Staff, office staffs and students who have done real service to the community through their sincere efforts and dedication for their services to uplift the society by nursing their needs. The Institution stands for its own merits both in imparting education and mitigating problems of the nearby villages.

Rajasthan Chamber of Commerce & Industry feels proud to have Arya Group of Colleges as its prominent member and appreciate the various services being done as mentioned above for many years.

(Dr. K. L. Jain)

Hony. Secretary General

Tree Plantation

Bhardwaj Foundation, Jaipur
Imparts knowledge & Training about Spirituality, Leadership, Management & Latest Technological Issues.

P.M. Bhardwaj
Founder President
(A Well known National Level Motivational & Management Guru)

71-B, Harikishan Sonani Marg, Hathroi Fort, Jaipur-302001 | Mob. +91-9414077887 | Email: pmh.jaipur@gmail.com

Certificate

It is to certify that Bhardwaj Foundation has been associated with Arya College of Engineering and Research Centre for more than 4 years. During this association period, the members of Bhardwaj Foundation and the students of Arya College of Engineering and Research Centre have organised various extension and outreach programs at rural and semi-rural areas.

A number of outreach program and activities have also been organised at various schools. Students displayed computer components and peripherals as well as many robotic models and explained their functions and multiple agro industrial applications.

These activities included programs such as Tree Plantation, Women Education and Employment Awareness Drives, Blood Donation Camps, Food and Cloth Distribution to the under privileged/BPL, etc.

I personally have monitored and participated in most of the activities and with great pleasure and appreciation I mention that the students have organized these events with unmatched zeal and dedication. These activities have developed the students into model citizens.

I wish all the students and college great success for future endeavors.

20/8/2019.
